

Cell phone scrubbing option – Defines the rules if the Cell Phone Scrub finds the Home or Work are a Cell, or a Cell is actually a land line

- Defines how to treat a “land line” such as a Work or Home number if it is actually a cell
- Defines how to treat a Cell number if it is actually land line
- If a Home or Work numbers on the first details screens are a cell you have an option to either move it to TAB+ screen or put it in the Cell phone field on the first detail screen if that field is blank
- Smart codes can be applied when ever the Cell Phone Scrub takes an action
- Can Warn and/or stop a user when a Cell number, or Landline number, are being placed in the wrong phone fields.
